

Sunday School Guidelines, Starting November 1, 2020

1. Teachers and students should wear masks at least until all are seated and class begins. Once dismissed, masks should be worn again until outside the building.
2. Children should bring their own container with needed supplies.
3. Hand sanitizer and cleaning wipes will be available in each classroom.
4. We should try to estimate how many children will be attending and allow for one or two extras. If possible, teachers will try to contact parents of children beforehand, such as with a welcome back letter. Children who are especially vulnerable should not attend for at least the first two weeks to give time for adjustments to be made.
5. An elder will be present in the building to help with directing “traffic” in the halls and provide “enforcement” of the guidelines if needed. He can keep extra face masks on hand ready to give to those who arrive unprepared and hand sanitizer.
6. Establish a single door for use by each class to enter and exit the building.
 - Rear Basement Door (through kitchen) - 2&3 year old class class entry / exit
 - Rear Door (at top of stairs by pastors' offices) – all other children’s classes entry / exit
 - Side entry door cemetery side – Bobby’s adult class entry / exit
7. Post signage at all doors with guidelines and directions to classes.
